

5L Junckers SB Primer

Product code: FBAS

A solvent-based fast curing primer

Junckers SB Primer, formerly BasePrime, is a fast-drying solvent-based primer for untreated wooden floors, especially exotic, oily and dark timbers where water-based primers may have poor adhesion. It dries clear in around 15 minutes, enhances light woods with a warm golden tone and does not raise the grain. Ideal as a first sealing coat before compatible Junckers floor lacquers.

For Use on Wooden Floors

Specification	
Type	Solvent-Based Wood Floor Primer
Drying time	Approx. 15 minutes
Application	Brush or Short-Pile Roller
Coverage	10sqm per litre
