

5L Loba PrimaSeal Plus

Product code: FPRIM

Barrier Seal

For Wooden Floors

LOBA PrimaSeal Plus is an alcohol-based primer for parquet and wooden floors, suitable for almost all European and exotic wood species. It effectively blocks wood ingredients and old contamination, intensifies the natural colour of timber and reduces the side-bonding effect of water-based finishes. Ready to use and fast drying, it provides a reliable base before applying compatible LOBA water-based floor lacquers.
