

**6" Cotton White Oak EC56**Product code: **EC56****150mm Brushed Lacquered Flooring**

Cotton White Wash Effect EC56 combines a soft white lacquer with the expressive character of Classic Natural Grade European oak. The lightly brushed surface reveals the grain, while natural knots and features are enhanced with contrasting black filler for a distinctive, authentic appearance. At 150mm wide, the boards create elegant proportions suitable for rooms of various sizes. Most boards are supplied in long lengths of up to 1900mm, helping to produce a balanced and flowing floor. A 3mm real oak wear layer and engineered base complete the stable 14mm construction.

Engineered 14/3 Floorboards MultiPLY Base

Specification	
Type	Engineered Wood
Dimensions (WxL)	150x1900mm
Thickness	14mm
