

7½" Gloomy Barley Oak ECA5

Product code: ECA5

Milky-Toned 190mm Light Brushed Flooring

Gloomy Barley combines soft milky tones with the natural warmth of American oak, creating a calm and welcoming floor that works beautifully in light, understated interiors. Gentle brushing adds a delicate texture and brings definition to the grain without giving the boards a heavily rustic appearance. The clean AB Prime Grade selection keeps colour and character variation refined. At 190mm wide and up to 1900mm long, the boards give rooms an open, harmonious feel. A 3mm real oak wear layer and stable multi-ply base complete the 14mm engineered construction.

Engineered 14/3 Herringbone MultiPly Base

Specification	
Type	Engineered Wood
Dimensions (WxL)	190x1900mm
