

F. Ball Styccobond F60 Contact Adhesive.

Product code: **F7JP**

Ideal For Vertical Applications

1L / 5L

F. Ball Styccobond F60 is a fast-drying contact flooring adhesive for PVC and rubber edgings, covings, nosings and selected floor and wallcoverings. Its instant bond makes it particularly suitable for vertical applications, stairs and steps. Compatible with normal underfloor heating systems and resistant to wet cleaning, F60 provides strong, reliable adhesion for professional flooring and interior installation work.
